#### CITY FIRST

**L**ooking at the increasing footfall at Jaipur Airport, the Airport Authority of India has joined hands with Mahatma Gandhi Medical College & Hospital and

has initiated to come up with free-of-cost check-ups at the entrance of the airport.

The medical centre was inaugurated on Thursday by Jaipur Collector Dr. Jogaram, who appreciated the efforts of the state gov-

ernment for taking such necessary steps, keeping in mind the increase in national and international arrivals at the airport.

Also, the Jaipur airport administration will also take charge of the parking on their

own. The contract with the private agency will soon be cancelled and around 2 dozen employees will take care of the parking management and the porch area will be free from traffic jams.
