Mission and Vision of the University

Mission

- To develop dynamic, self-dependent and world class Healthcare Institution dedicated in providing the best medical education and clinical treatment.
- To develop the best healthcare practices in the community, with a spectrum ranging from preventive health measures to excellence in tertiary care, with an aim to establish a healthy, disease-free society.
- To enrol students, staff and faculty in various clinical and non-clinical programs based on the principle of merit and impartiality, and without any discrimination of race, sex, non-disqualifying disability, caste, religion, and national or ethnic origin.
- To utilise the latest technology, as well as, to identify the best possible use of upcoming technology such as Artificial Intelligence to predict, prevent and treat various ailments and illnesses before they affect an individual or the community.

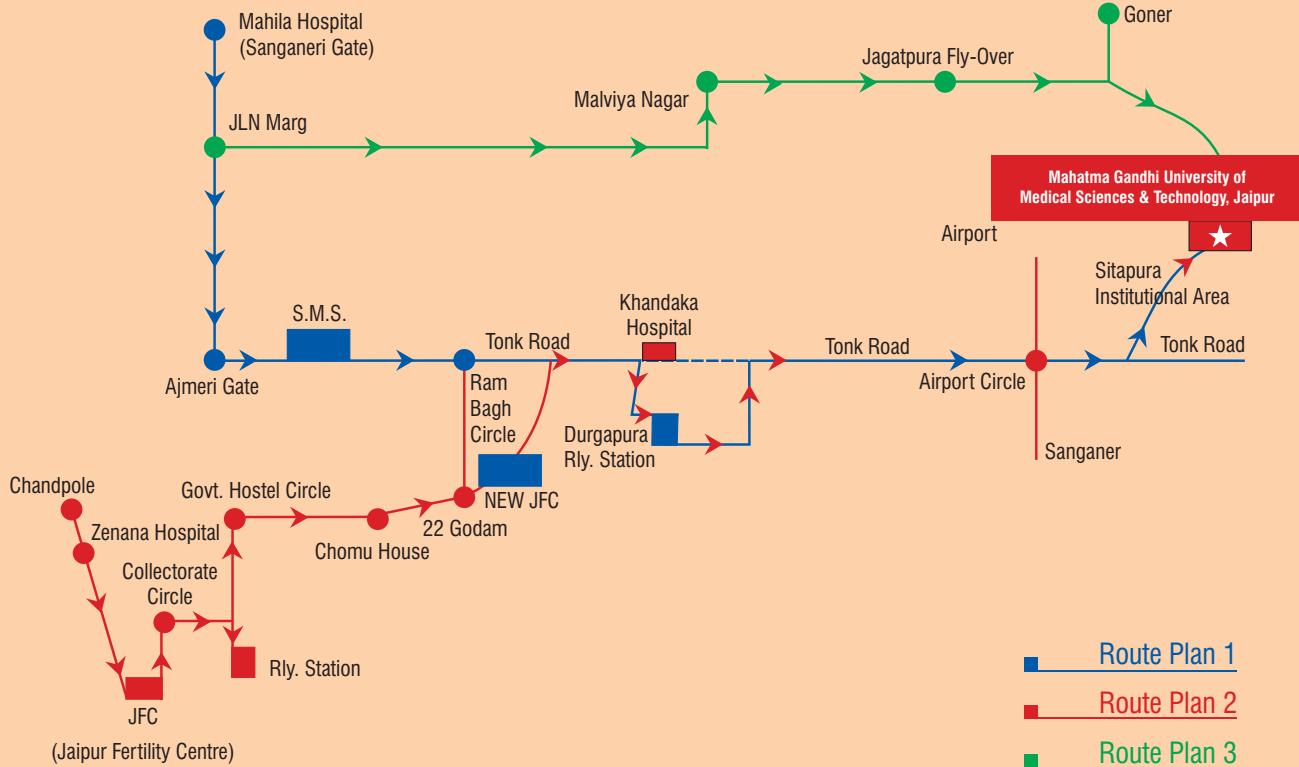

Vision

- To develop MGUMST as an Institution of Excellence, at par with Global standards, in the field of healthcare and allied sciences.
- To amalgamate our colleges, departments, students and alumni to impart world class research and education, aimed at making a positive difference in the healthcare at the national and global level.
- To achieve overall development of learners, including character and moral values, by imbibing a culture of inquisitiveness, inclusion, collaboration and innovation.
- To ensure equality amongst diversity in all respects, reflecting the true Gandhian principles, so that everyone gets a fair opportunity and the best of minds and talent may be recognised and allowed to flourish in the ever-changing competitive environment.

India Education Trust

India Education Trust is the sponsoring body of Mahatma Gandhi University of Medical Sciences & Technology, Jaipur and established as a Public Charitable Trust duly registered with Devasthan Department, Government of Rajasthan, vide registration no. 20/Jaipur/1999 dt. 24-5-1999, under Rajasthan Public Trust Act, 1959. (Act No. 42 of 1959). The Trust is also registered with the Income Tax Department under Section 11 of Income Tax Act, 1961 and is exempted from tax. The Registered Office of the Trust is: India Education Trust, RIICO Institutional Area, Sitapura, Tonk Road, Jaipur - 302 022

The main objectives of the Trust are - to continuously improve the health status of people by providing primary as well as advanced health care, to establish hospitals including specialty and super-specialty clinics, dispensaries, maternity homes and RCH centres, to develop and administer research and educational institutions including medical, dental, nursing and pharmacy, to develop health manpower by creating training centres for medical and allied health care professionals and to promote and subsidize activities of other educational institutions which are catering and improving public health at large.

Location

Mahatma Gandhi University of Medical Sciences & Technology and the Institutions attached to it are situated in a unitary campus in RIICO Institutional Area, Sitapura, Tonk Road on Jaipur-Kota National Highway, Jaipur - 302 022. The campus is just 9 km from the Sanganer Airport.

The entire land of about 34.71 acres has been developed into a self-sufficient campus in all respects. Today it is an oasis of peace and tranquility away from the noise and pollution of the urban conglomerates devoted to promoting excellence in educational and scientific endeavour. Comprehensive and ergonomic environmental planning of buildings, rooftop solar panels, roads, water supply, drainage, sewage, lawns and gardens have ensured 100% space utility with cost effectiveness. The buildings are situated at strategic locations to optimize the functional efficiency of various facilities.

ਕੈਣਾਵ ਜਨ ਤੀ ਤੇਨੇ ਕਾਹਿਧੇ ਜੇ ਪੀਰ ਪਰਾਈ ਜਾਨੇ ਰੇ...

ADMINISTRATIVE CHIEF

Dr Vikas Chandra Swarankar
MS (OBGYN), MS (Gen Surgery)
Specialist in Reproductive Medicine & IVF

Chairperson
Mahatma Gandhi University of
Medical Sciences & Technology
Chairman & Managing Trustee
India Education Trust -
Sponsoring Body of MGUMST

Dr Vikas Chandra Swarankar is the Chairperson of Mahatma Gandhi University of Medical Sciences & Technology, Jaipur and Chairman & Managing Trustee India Education Trust - Sponsoring Body of the MGUMST.

Graduated from Mahatma Gandhi Medical College & Hospital in 2009, he is one of the few clinicians in the State to have double Post Graduate degrees of Master of Surgery (MS) in General Surgery and in OBGYN. He was awarded gold medal for securing highest marks in the Post Graduate Examination.

His area of academic and clinical interest is Reproductive Medicine and Advanced Reproductive Technology (ART), specializing in IVF-ISCI and Endoscopy. He has over 9 years of experience as a Fertility Physician and Endoscopy Surgeon.

He has national and international experience of Reproductive Medicine and Advanced Reproductive Technology at London, Singapore and Washington DC, Liver Transplant and Hepatobiliary Surgery at Ohio, Advanced Hepatobiliary and Pancreatic Surgery at Taiwan, Urology at Boston and Robotic Surgery & Minimal Access Surgery at New Delhi.

He has published several research papers & articles in national and international journals and participated in multiple national and international conferences as Speaker/Guest faculty.

Apart from being a specialty doctor, Dr Vikas Swarankar is also an Administrator and Health Care Entrepreneur. He has over 12 years of experience in managing a large 1460-bedded University teaching hospital - Mahatma Gandhi Hospital. He has been an active witness to the growth story of this Hospital. Under his leadership, the Mahatma Gandhi Hospital joined Government of Rajasthan shoulder to shoulder in fighting against COVID-19 since March 2020. He is determined to take the University to newer heights and make it a Centre of excellence in a number of medical super specialities.

Dr M L Swarankar
MD (OB GYN - PGI), Ph D (h c)
Specialist in Reproductive Medicine & IVF

Emeritus Chairperson
Mahatma Gandhi University of
Medical Sciences & Technology
Managing Trustee
India Education Trust -
Sponsoring Body of MGUMST

Dr M L Swarankar is the Emeritus Chairperson, Mahatma Gandhi University of Medical Sciences & Technology, Jaipur and Managing Trustee India Education Trust - Sponsoring Body of the MGUMST.

Dr Swarankar is Professor of Obstetrics and Gynaecology, a Physician of International Eminence in the field of Assisted Reproductive Physiology and a Specialist in Reproductive Medicine and IVF. He graduated with a gold medal from the University of Rajasthan and completed his post graduation from Nation's Premier Medical institute PGIMER, Chandigarh in 1982.

He had his basic In Vitro Fertilization (IVF) training from the University of Liverpool, UK. He had extensive training in USA, Germany, France & Australia etc., in the field of Advance Reproductive Technology & Microsurgery. He is the founder director of Jaipur Fertility Centre which is the first centre of Rajasthan & North India to have successful IVF programme and delivered more than twenty thousand babies to infertile couples in the last two decades.

Ever since Dr M L Swarankar became a doctor, he had a dream to make a Medical Institute par excellence which could provide quality medical education & world class quality health services to the community, especially to the poor and needy, as he desires to serve them on priority.

Dr Swarankar has been inspired by Mahatma Gandhi's favourite prayer song "चैष्णव जन तो तेने कहिये जे पीर पराई जाने रे" He who understands the pain of others is one of God's own.

Dr Sudhir Sachdev
MD, FRCP (Edin.)
President
Mahatma Gandhi University of
Medical Sciences & Technology, Jaipur

Dr Sudhir Sachdev is the President of Mahatma Gandhi University of Medical Sciences & Technology, Jaipur. He oversees University's vast infrastructure, providing leadership and strategic vision across all aspects of MGUMST. He is the principal executive and academic officer of the University and has control over the academic and administrative management of the Institution.

Dr Sachdev is Professor of Anaesthesiology. He has been Pro-President of the University for 9 years. He believes in a holistic environment that contributes in learning and parting knowledge, both in as well as outside the classroom. He focuses to provide hands on learning and ample scope for co-curricular activities, giving a platform for overall development of the students. He believes that the students of the University should be competitive at not just national but also on international level in all walks of life. He has firm belief in "विद्या दराति विनयं" and accordingly he aims to educate students in such a way that they become not only good professionals in their medical fields but also good human beings with high moral values and ethics.

Dr Sudhir Sachdev has been an Anaesthesiologist at Jaipur Fertility & Microsurgery Research Centre (The Nation's premier Centre for Advanced Reproductive Technology and Gynaecological Endoscopy) for more than 16 years. He has been an observer in the Dept. of Anaesthesia at Mount Sinai Hospital, New York and Cornell University, New York.

Dr Sachdev is an alumnus of SMS Medical College, Jaipur. He has been laureled on Four Decade Celebration as student and immediate next Seven Decade Celebration as alumnus for his outstanding performance in many fields.

Dr Sachdev is also widely recognized as a connoisseur of art and culture. His outstanding performance as an orator, debater, litterateur, writer and actor with proven proficiency in organizing and producing stage and cultural activities; and as compere at many National Programs have been well acknowledged.

Dr G N Saxena
MBBS (Gold Medalist), MD

Pro-President
Mahatma Gandhi University of
Medical Sciences & Technology, Jaipur

Dr. G.N. Saxena is the Pro-President of Mahatma Gandhi University of Medical Sciences & Technology, Jaipur. He is an authority in the field of Medicine and has a teaching experience of more than 41 years at the Department of Medicine, SMS Medical College and Mahatma Gandhi Medical College, Jaipur. He has been honoured with State award for e-Governance, 2011 for computerization of state's medical colleges and initiating telemedicine. He has vast administrative and research experience.

He was earlier Principal & Controller of Mahatma Gandhi Medical College & Hospital and Dean Faculty of Medicine & Surgery, MGUMST. He is the Editor in Chief, Journal of Mahatma Gandhi University of Medical Sciences & Technology, Jaipur.

Dr. Saxena has been the Officer In-charge, Dr. Robert Heiling Library, SMS Medical College, comprising of more than 50,000 Books and 9,000 Journals and the Chairman, Clinical Trial Committee, SMS Medical College, Jaipur.

He has been the Member, Healthcare Committee, National Knowledge Council. He participated in the establishment of the Indian National Health Knowledge Network helping in the dissemination of medical information and knowledge amongst medical practitioners and the general Indian population.

Dr. Saxena, as member of the Undergraduate Committee, Medical Council of India deliberated and provided inputs on decisions regarding establishment of new and expansion of existing medical colleges in the country. He also rendered his service as Member, Research Advisory Committee, Indian Council of Medical Research (ICMR).

Dr. Saxena designed, initiated and scaled-up the Rajasthan Telemedicine Network as State Nodal Officer to provide medical advice in remote areas for the State using expertise in the medical college. He also worked as State Nodal Officer, Computerization of Medical Colleges. He has also been the Member, Rajasthan Medical Relief Society and the Deputy Superintendent; and Food & Nutrition and Drawing & Disbursing Officer for SMS Hospital.

ADMINISTRATION

Dr A K Sharma

infor@amanmovement.org

Website : www.antiragging.in

As per letter of the National Medical Commission No. U-15027/2022-UGMEB dt. 30.9.2022, the medical students, in addition to the college / institute, can lodge their complaints with the NMC on the email - antiragging@nmc.org.in

Awardable Punishments at the College / Institution level:

Depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of the institution, the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following:

- Suspension from attending classes and academic privileges.
- Withholding / withdrawing scholarship / fellowship and other benefits
- Debarring from appearing in any test / examination or other evaluation Process.
- Withholding results
- Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
- Suspension/expulsion from the hostel
- Cancellation of admission.
- Rustication from the institution for period

ranging from 1 to 4 semesters

- Expulsion from the institution and consequent debarring from admission to any other institution for a specific period.
- Fine of Rs. 25,000.00 and Rs. 1 lakh.
- Collective punishment: When the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment.

University Rules and Regulations

All students shall abide by the University/College Rules and Regulations, which are mentioned below :

1. Regularity and punctuality in lectures, demonstrations, practicals, clinical and class examinations are compulsory. Students, who do not show satisfactory progress and are found shallow in their conduct, will not be allowed to appear in the University examinations. Students, who do not maintain a satisfactory academic standard and conduct, will not be allowed to hold any office in the College or participate in any extracurricular activities.
2. Minimum required attendance as per the regulations of the NMC / DCI / INC / RCI / MGUMST is compulsory. Any one failing to achieve this, shall not be allowed to appear in the University examination.
3. Each and every student of the University shall have to undergo and successfully complete Basic Life Support (BLS) Course before appearing at the University Final Year Examination of the program in which he / she has taken admission. No extra charges shall be taken from the students for the BLS Course.
4. Students are not allowed to paste any notice(s) within the Institute, without prior permission from the office of the Principal. They are also forbidden to communicate with any outside agency / authority directly. All such communications must be submitted through the Principal, who will forward these to the University, if considered necessary. Any student infringing this rule may be suspended.
5. The College does not hold itself responsible for debts incurred by the Students.
6. No two wheeler (LMV)/four wheeler is allowed in the University campus. An undertaking to this effect has to be furnished by every candidate at the time of admission.
7. Strictly forbidden in or outside the university campus are:

- a) Demonstration, Strike
 - b) Possession or use of alcoholic beverages, narcotic drugs, Pep pills, Cigarette, tobacco, pan masala, addictive or hallucinogenic drugs, single use plastic items, firearms or any lethal weapons.
 - c) Gambling
 - d) Loitering around, especially under the influence of alcohol.
 - e) Use of vulgar language, violence
- Violation of these rules and regulations shall be viewed by the authorities as a serious offence and it may lead to disciplinary action even leading to suspension / expulsion from the college. Dancing in the College premises is discouraged.
8. Students must pay for all damages caused by them to instruments, equipments, books and other property of the college/university.
 9. Any illness or / and minor ailment must be reported to the Principal or Warden as early as possible.
 10. Students must arrange for the Uniform prescribed by the college Principal, washable white coats, which are to be worn at all times in the college, laboratories and on hospital duty and also for their own dissecting instruments. Girls must put their hair up when at study in the college or hospital.
 11. College fees must be paid in full by the dates specified by the Principal. Any student whose fee, together with the fine if imposed, is still unpaid will be suspended from attending lectures/practical.
 12. Indiscipline of any kind shall be an offence punishable by orders amounting to even the expulsion of the student.
 13. The College is basically residential providing all amenities for physical and spiritual well being of the students.
 14. Hostel accommodation to all the residents admitted to MBBS and Post Graduate Medical Courses is compulsory so as to maintain regularity, standard of medical education and discipline.
 15. Sick leave: In all cases of illness recommendation of sick leave in writing by the Warden or Medical Officer must be presented to the Principal. Further, students should present sick leave certificate to the Principal after presenting the leave slips to the department concerned.

16. Other leaves: Taking leave during the term is discouraged. However, if urgently required for any reason, parents or legal guardian of the hosteller should apply with a letter to the Principal through the Warden. Application should be sent well in advance. Students should inform the Warden before leaving the hostel when they proceed on weekend or any other leave. All students are required to inform the Principal and Warden in writing before they leave the hostel for more than 24 hours.
17. Official Leave: Students requiring leave for taking part in sports or games on behalf of the College should apply to the Principal through the Warden. Application should be sent well in advance.

Dr. Swati Garg, MS
Dean Faculty of Medicine
Principal and Controller
Mahatma Gandhi
Medical College & Hospital, Jaipur

Dr. Swati Garg is the Dean, Faculty of Medicine as well as the Principal & Controller of Mahatma Gandhi Medical College & Hospital, Jaipur. She has been associated with Mahatma Gandhi Medical College & Hospital for more than 22 years and was holding the post of Professor & Head in the Department of Obstetrics & Gynaecology for last 12 years.

Dr. Garg did her MBBS and MS (Obstetrics & Gynaecology) from SMS Medical College, Jaipur. She has also done the Post Graduate Diploma Course in Clinical Research, and in Hospital and Healthcare Management from Symbiosis Institute of Health Sciences, Pune.

When it occurs to academics, ethics and patient care, she has a very disciplinary yet passionate approach. She received the "Distinguished Service Award" for her outstanding achievement as Obstetrics & Gynaecologists, Clinician, Academician, Administration and for the excellent services rendered to the University and its institutions.

With the aim of doing justice to all the duties assigned to her, she is determined to work for the progress of the institution.

Mahatma Gandhi Medical College & Hospital (MGMC&H)

Mahatma Gandhi Hospital (MGH) was formally inaugurated on 2nd October, 2000. At present this multi-super specialty teaching hospital has 1460 beds. There are fully furnished private rooms; Semi deluxe, Deluxe & VIP cottage available. MGH also provides adequate clinical Teaching Materials as envisaged by National Medical Commission, Rehabilitation Council of India, Dental Council of India and Indian Nursing Council. NABH accreditation of Blood Bank, NABL accreditation of laboratory & NABH accreditation of hospital has been accredited by Quality Council of India.

The world-class infrastructure with the state-of-art medical equipments and highly reputed and experienced medical consultants/doctors/para medical staff of MGH provides clinical support to the faculty members resulting into efficient teaching in these institutions.

The Institute has comprehensive facilities for teaching, research and patient-care. MGMC&H conducts teaching programs in medical and paramedical courses both at undergraduate and postgraduate levels and awards its degree from Mahatma Gandhi University of Medical Sciences & Technology. Teaching and research are conducted in Clinical departments including Super specialty centers practically manage all types of disease conditions with support from Pre and Para-clinical departments.

MGH has a fully developed NABL accredited central diagnostic laboratory in biochemistry, microbiology and pathology. A well trained senior faculty supervises this lab which is one of the biggest in the State. MGH provides well developed, unique services in the field of Advanced Reproductive Techniques (ART), medical and surgical endoscopy and NABH accredited modern blood centre with component therapy. MGH has started its Regional Emergency and Trauma Centre approved for Medico Legal Cases (MLC) along with well-equipped ambulance facilities meant to save lives of the victims of road accidents. The efficient and effective emergency department is well equipped with intensive care therapy, diagnostics, radio-diagnostic including ultrasonography and CT scan, MRI Haematology and fully equipped modular operation theaters manned by eminent professionals and experts round-the-clock. This is the first trauma centre in the state approved by the Govt. of Rajasthan to deal with medico-legal cases including road traffic accident and post mortem under the Dept. of Forensic Medicine of MGMC&H.

MGH has a state-of-art Cardiac & Critical Care Centre. The services at Cardiac & Critical Care Centre are available for patients by experienced Cardiologists & Cardiothoracic Vascular surgeons round the clock along with latest equipments & ultramodern technology.

The hospital has a modern Kidney Transplant & Urology Centre namely Mahatma Gandhi Renal Transplant Centre which its functioning under expert Kidney Transplant Surgeons and Nephrologists. This centre gives quality medical services with ultra-modern techniques at affordable cost for all kinds of kidney ailments. A full-fledged Department of Oncology is launched with two linear accelerators for Radiotherapy services.

A world class Advance Cancer Treatment Centre - Sri Ram Cancer Centre operational in a separate building within the campus. It is equipped with two Linear accelerator, PET Scan, 3D Tesla MRI, Gama Camera and provision for Tele & Brachy therapy.

MGMC&H has telemedicine department. It is well established designated as the nodal centre for all district hospitals, CHC, PHC by the Government of Rajasthan. At present MGH is available to Tele-consultation at 125 centers in various districts, satellite hospitals and community health centers of the state. Almost 500 patients per day are being provided consultations on telemedicine network. These are part of the Institute of Health Informatics.

MGMC&H is actively involved in implementation of National Health Programme like:-

1. Ayushman Bharat Mahatma Gandhi Rajasthan Swasthya Bima Yojna.
2. Chiranjeevi Swasthya Bima Yojna.
3. Sterilization Programme.
4. Reproductive and Child Health Programme.
5. Janani Suraksha Yojna.
6. STD and Reproductive Infection Control Programme.
7. National Immunization programme.
8. National Blindness Control Programme.
9. NTEP National Tuberculosis Eradication Programme.
10. National Leprosy Eradication Programme.

Admission to MD/MS Courses

Admission to MD/MS Courses in Mahatma Gandhi Medical College & Hospital (MGMCH), Jaipur - a unit of MGUMST, Jaipur for the academic year 2022-23 shall be governed by the :

1. Norms prescribed for entrance test (NEET PG – 2022) and counseling prescribed by National Board of Examinations (NBE) New Delhi, Ministry of Health & Family Welfare, Govt. of India.
2. Act and Statutes of Mahatma Gandhi University of Medical Sciences & Technology.
3. Directions / orders of Hon'ble Supreme Court of India from time to time.
4. Directions / Orders of Government of India and The Government of Rajasthan.

Only the candidates who have qualified the NEET-PG 2022 shall be eligible for admission to the Postgraduate MD / MS Courses . Admissions shall be made by NEET PG Medical / Dental Admission / Counseling Board - 2022 constituted by the Govt. of Rajasthan, on the basis of merit marks obtained by candidates at NEET-PG 2022 conducted by the National Board of Examination, New Delhi. To participate in the process of admission, it is mandatory for the candidates to get themselves registered with the NEET PG Medical / Dental Admission/Counseling Board - 2022 constituted by the Govt. of Rajasthan.

Prospective candidates are advised to go through the '**Information Bulletin of NEET PG 2022**' for complete information regarding the examination

conducted by National Board of Examinations (NBE) New Delhi, Ministry of Health & Family Welfare, Govt. of India and the counseling process for admissions in the institutes offering PG medical courses etc.

MGMCH, Jaipur has been offering various PG - MD / MS Courses which are duly approved/recognized by National Medical Commission/ Ministry of Health & Family Welfare, Govt. of India.

RESERVATIONS -

Reservation in admissions to MD/MS Courses shall be made as per the Reservations policy of the Govt. of Rajasthan prevailing at the time of Admission.

Eligibility

(A) No candidate of any category (including Management quota) shall be eligible for admission to MD/MS courses in Mahatma Gandhi Medical College & Hospital, Jaipur, if he/she has not qualified NEET-PG 2022.

(B) Every candidate, being selected for admission to postgraduate medical course should possess:

1. MBBS degree or Provisional MBBS Pass Certificate recognized as per the provisions of the Indian Medical Council Act 1956.
2. Permanent or provisional registration certificate of MBBS qualification issued by the Medical Council of India or State Medical Council.
3. Internship completion certificate showing the completion of the internship on or before 31st July 2022.
4. Qualifying certificate cum marks statement of NEET PG 2022 issued by the National Board of Examinations, New Delhi.

(C) Management Seats

15% of total number of seats available in MD/MS courses have been earmarked for Management Quota.

Eligibility for Admission on Management Quota seats shall be as per the decision of the NEET PG Medical / Dental Admission / Counseling Board-2022 constituted by the Government of Rajasthan.

(D) Foreign Medical Graduates

Indian citizens or overseas citizens of India who have obtained their Primary Medical Qualifications from Medical Colleges outside India should have qualified the Foreign Medical Graduate Examination (Screening Test) which is conducted by National Board of Examinations. Further, they should have been registered with NMC/SMC and should have completed their internship on or before 31.07.2022.

(E) Foreign Nationals

1. It is not mandatory for foreign nationals to have temporary registration with NMC at the time of appearing at the NEET-PG 2022. They can appear at the NEET-PG without NMC registration. The National Medical Commission may, on payment of the prescribed fee for registration, grant temporary

registration for the duration of the Post Graduate course limited to the Medical college - Mahatma Gandhi Medical College & Hospital, Jaipur to which he/she is admitted for the time being exclusively for pursuing postgraduate studies. Provided further that temporary registration to such foreign national shall be subject to the condition that such person is duly registered with appropriate registering authority in his own country where from he has obtained his Basic Medical qualification, and is duly recognized by the corresponding Medical Council or concerned authority.

2. Students from other countries should possess passport, visa and exchange permits valid for the entire period of their course of study in this Institution and should also observe the regulations of both central and state governments regarding residential permits and obtain no-objection certificate etc., from time to time.

3. The student should have a provisional "Student Visa". If he/she comes on any other visa and is selected for admission, he will have to first obtain a student visa from his/her country and then only he/she will be allowed to join the course. Therefore it is imperative to obtain provisional student visa before coming for Counseling.

(F) Registration with NMC/SMC

1. Every student, selected for admission to a Post Graduate medical course in Mahatma Gandhi Medical College & Hospital, Jaipur on acquiring MBBS Degree or an equivalent qualification thereto shall have to obtain permanent registration with the NMC/SMC within a period of one month from the date of his/her admission, failing which his/her admission to PG Medical Course in Mahatma Gandhi Medical College & Hospital, Jaipur shall stand cancelled and no claim for refund of fees shall be entertained.

2. For Foreign Nationals, Clause **(D)** as above shall apply.

Selection of Postgraduate Students

Admissions on all the 167 seats including 25 seats of Management Quota shall be made in Mahatma Gandhi Medical College & Hospital, Jaipur on the basis of merit marks obtained by the candidates in National Eligibility Cum Entrance Test NEET - PG 2022 conducted by National Board of Examinations (NBE) New Delhi governed by the Rules and Regulations specified by the Government of India, Ministry of Health & Family Welfare/Directorate General Health Services/and orders of Hon'ble Courts.

Admissions will be given as per the seat sharing matrix from amongst the NEET-PG 2022 qualified candidates on merit basis.

Reservation would be made applicable as per the reservation policy of Government of Rajasthan.

Admission policy may be changed according to the law prevailing at the time of counseling / admission.

Seat Allotment and Counseling:

Seat Allotment and Counseling of the candidates who qualify the NEET-PG 2022 and are eligible for admission to MD/MS Courses in Mahatma Gandhi Medical College & Hospital, Jaipur will be done by the **NEET PG Medical / Dental Admission/Counseling Board - 2022** constituted by the Government of Rajasthan. It is mandatory for the NEET-PG qualified candidates to get themselves registered with the Rajasthan NEET-PG Medical / Dental Admission / Counseling Board - 2022, otherwise they will not be considered for seat allotment and admission.

All admissions shall remain provisional at the first instance subject to effective enrolment with affiliating University - MGUMST, Jaipur in a time bound manner.

Period of Training

The period of training for obtaining Post graduate degrees (MD/MS) shall be three complete years including the period of examination.

However, it shall be two years for candidates who have obtained the recognised PG Diploma in the particular subject.

80% attendance in each course is compulsory. Any one failing to achieve this, shall not be allowed to appear in the University examination. Students will be allowed 10 days leave in every 6 months. These will not be cumulative i.e. unavailed leave shall not be forwarded to next span of six months. Students will also be allowed 1 day off every week.

As decided by the Academic Council of the MGUMST in its meeting held on December 13, 2017 duly approved by the Board of Management of the University on December 21, 2017, academic

performance of the students admitted to MD/MS PG Medical Courses in the academic year 2019-20 and onwards shall be assessed during their three years course duration before their university final examinations. There shall be 6 internal assessment tests during their three years duration course, with a gap of every 4 to 6 months. These internal assessment tests shall be conducted by the concerned department. The students will be required to qualify at least 3 internal assessment tests by securing at least 50% marks in each internal assessment test.

The students will also be required to fulfil other eligibility conditions like publication of papers, attending seminars/conferences etc as per the regulations of the The National Medical Commission for PG MD/MS Courses before they are allowed to appear at the University Examinations.

Skill Development Program

The students during their training program shall be required to undertake either of the two Skill Development Programs - Advanced Trauma Life Support (ATLS) or Advanced Cardiac Life Support (ACLS) so as to become eligible to appear in the university examination at the end of Third year. In addition, they can also undertake Paediatrics Advanced Life Support (PALS) program, if they intend.

The students of MD (Paediatrics) shall have to undertake PALS program. In addition, they can also undertake ATLS or ACLS program, if they intend.

Such a student who has already successfully completed ATLS / ACLS or PALS program, as the case may be, from the MGMC&H or elsewhere will be exempted to do the same again. For claiming the exemption, the student shall be required to submit ATLS / ACLS or PALS program completion certificate in the office of the Principal, MGMC&H.

Stipend

Students admitted to the MD/MS courses in Mahatma Gandhi Medical College & Hospital will be paid stipend during their training period at par with the State Government.

Note

Candidates, at the time of their admission, shall be required to submit necessary Undertakings, Affidavits, Surety Bonds in Mahatma Gandhi Medical College & Hospital, Jaipur

Migration

No application for migration to other Medical Colleges will be entertained from the students already admitted to the MD/MS course at this Institute at any point of time.

- MDS
- BDS

Details of the courses conducted by the university can be seen
on the university website - www.mgumst.org

**Dr Narendra Padiyar .U., MDS
Principal
Mahatma Gandhi
Dental College & Hospital, Jaipur
Dean
Faculty of Dental Sciences, MGUMST**

Dr Narendra Padiyar .U. is the Principal of Mahatma Gandhi Dental College & Hospital and Dean, Faculty of Dental Sciences of Mahatma Gandhi University of Medical Sciences & Technology, Jaipur.

Dr Padiyar is a specialist in Prosthodontics and Crown & Bridge and Oral Implantology with teaching experience of 25 years. He is actively involved in teaching as a post graduate guide and also as the Course Co-ordinator of the University Advanced Post Graduate Certificate Course in Oral Implantology. He is committed to bring about excellence in dental education and patient care. Under his leadership, Mahatma Gandhi Dental College & Hospital aims to be among the top Dental Colleges in the Country.

Admission to MDS Courses

Admission to MDS Courses in Mahatma Gandhi Dental College & Hospital (MGDCH), Jaipur - a unit of MGUMST, Jaipur for the academic year 2022-23 shall be governed by the :

1. Norms prescribed for entrance test (NEET MDS – 2022) and counseling prescribed by National Board of Examinations (NBE) New Delhi, Ministry of Health & Family Welfare, Govt. of India.
2. Act and Statutes of Mahatma Gandhi University of Medical Sciences & Technology.
3. Directions / orders of Hon'ble Supreme Court of India from time to time.
4. Directions / Orders of Government of India and the Government of Rajasthan.

Only the candidates who have qualified the NEET-MDS 2022 shall be eligible for admission to the Postgraduate MDS Courses . Admissions shall be made on the basis of merit marks obtained by candidates at NEET-MDS 2022 conducted by the National Board of Examination, New Delhi.

Prospective candidates are advised to go through the '**Information Bulletin of NEET MDS 2022**' for complete information regarding the examination conducted by National Board of Examinations (NBE) New Delhi, Ministry of Health & Family Welfare, Govt. of India and the counseling process for admissions in the institutes offering PG dental courses etc.

MGDCH, Jaipur has been offering various PG - MDS Courses which are duly recognized by Dental Council of India / Ministry of Health & Family Welfare, Govt. of India.

RESERVATIONS

Admission to MDS Courses shall be made as per the policy of the Govt. of Rajasthan prevailing at the time of Admission.

Eligibility

(A) No candidate of any category shall be eligible for admission to MDS courses in Mahatma Gandhi Dental College & Hospital, Jaipur if he/she has not qualified NEET-MDS 2022.

(B) Every candidate, being selected for admission to postgraduate dental course should possess

1. BDS degree or Provisional BDS Pass Certificate recognized as per the provisions of the Dental Council of India.

2. Permanent or provisional registration certificate of BDS qualification issued by the State Dental Council.

3. Internship completion certificate showing the completion of the internship on or before 31st July 2022.

4. Qualifying certificate cum marks statement of NEET-MDS 2022 issued by the National Board of Examinations, New Delhi.

(C) Foreign Dental Graduates

Indian citizens or overseas citizens of India who have obtained their Primary Dental Qualifications from Dental Colleges outside India should have qualified the Foreign Dental Graduate Examination (Screening Test) which is conducted by National Board of Examinations. Further, they should have been registered with DCI/SDC and should have completed their internship on or before 31.07.2022.

(D) Foreign Nationals

1. It is not mandatory for foreign nationals to have temporary registration with DCI at the time of appearing at the NEET-MDS 2022. They can appear at the NEET-MDS without DCI registration. The Dental Council of India may, on payment of the prescribed fee for registration, grant temporary registration for the duration of the Post Graduate course limited to the Dental college - Mahatma Gandhi Dental College & Hospital, Jaipur to which he/she is admitted for the time being exclusively for pursuing postgraduate studies. Provided further that temporary registration to such foreign national shall be subject to the condition that such person is duly registered with appropriate registering authority in his own country where from he has obtained his Basic Dental qualification, and is duly recognized by the corresponding Dental Council or concerned authority.

2. Students from other countries should possess passport, visa and exchange permits valid for the entire period of their course of study in this Institution and should also observe the regulations of both central and state governments regarding residential permits and obtain no-objection certificate etc., from time to time.

3. The student should have a provisional "Student Visa". If he/she comes on any other visa and is selected for admission, he will have to first obtain a student visa from his/her country and then only he/she will be allowed to join the course. Therefore it is imperative to obtain provisional student visa before coming for Counseling.

(E) Registration with State Dental Council (SDC)

1. Every student, selected for admission to a Post Graduate dental course in Mahatma Gandhi Dental College & Hospital, Jaipur on acquiring BDS Degree or an equivalent qualification thereto shall have to obtain permanent registration with the DCI/SDC within a period of one month from the date of his/her admission, failing which his/her admission to PG Dental Course in Mahatma Gandhi Dental College & Hospital, Jaipur shall stand cancelled.

2. For Foreign Nationals, Clause **(D)** as above shall apply.

Mahatma Gandhi Occupational Therapy College

Introductory

Mahatma Gandhi Occupational Therapy College (MGOTC) was established in the year 2014. The College is attached with Mahatma Gandhi Hospital, which is 1460 bedded multispecialty & Super specialty Hospital. The college is recognized by the Department of Medical & Health, Government of Rajasthan and accredited by All India Occupational Therapists Association (AIOTA) and World Federation of Occupational Therapists (WFOT).

Mahatma Gandhi Occupational Therapy College has a well-designed curriculum of international standards with value-based education. It has well-qualified, experienced, committed and motivated faculty to provide high academic teaching. We also invite renowned senior visiting faculties from India and abroad for conducting advanced teaching and training through workshops and interactive seminars, from time to time. Departments have well-equipped laboratories and clinics. In addition, there are a number of central facilities, which include a Computer centre, Central library, Sports and hostel facilities.

Mahatma Gandhi Occupational Therapy College is the 1st Sensory, Hand & Neuro Development Occupational Therapy Centre for paediatrics & Adult patients in Rajasthan. It is furnished with latest therapy-equipments.

The Institute offers a healthy atmosphere and suitable student-teacher ratio to ensure that every student gets individual attention. The students are encouraged to discover their aptitude and area of interest and are given a blend of knowledge and skills to enable them to face the challenges of the competitive work environment and become self-reliant.

Recognizing further the need of the students and helping them to attain the professional competence, the Institute provides in-house training and development programmes such as executive development, personality development, professional communication skills development (English Language Training) etc. The college also provides guidance and training for examinations like IELTS, TOEFL and other similar exams for pursuing higher education and jobs abroad.
